April Ramirez, MS, LCPC

School Based Clinician

Education and Certification

Bachelor's degree in psychology from Northern Illinois University and a Master's degree in Mental Health Counseling from Capella University.

Philosophy of Care

Counseling provides support in a proactive, collaborative, and preventative manner which will assist clients with achieving goals, personal growth, and development in all areas of functioning.

Specialization

Services for children in the school environment, home, as well as in office. Family therapy and support.

A little bit about me...

My family is everything to me and time with them is always a blast! I enjoy photography, reading a good book, spending time with my pets and being physically active.
