

Kevin Buss

Behavioral Health Clinician

Philosophy of Care

I'm open, curious and interested in helping you on your journey to recovery. I've been in this field for over 30 years and I learn something from every client I work with.

Education and Certification

Master of Fine Arts from Northern Illinois University; Bachelor of Science from Illinois State University. Certified Reciprocal Alcohol and Drug Counselor (CRADC)

Specialty Populations

Substance use and mental health, and how they can come together

A little bit about me...

I'm interested in music, design, and sarcasm (a valuable coping strategy).
