

Connie Davis, MSW

Director of Outpatient Services

Philosophy of Care

The relationship between the counselor and clients is imperative to therapy. The relationship helps to cultivate the teamwork between the clinician and the client to establish the client's goals. The, we work on the goals that the client want to achieve together.

Education and Certification

Bachelor's Degree from Western Illinois University's Board of Governors program; Master's degree in Social Work from Walden University. EMDR certified.

Specialization

I also enjoy working with children and adolescents and their families.

A little bit about me...

I love animals. I have a mastiff, Zoey, who keeps me busy. I enjoy reading, tennis, crocheting, knitting, and photography. I like being busy. I am not a person who can just sit round.
