

Ashley Bartlow
MSW, QMHP
Internship Supervisor

Education and Certification

Bachelors degree in Social Work from Western Illinois University. Masters in Social Work from Arizona State University.

Specialization

Certified in danger assessment for DV survivors, Certified to teach first aid and CPR.

My Treatment Philosophy

I am trauma informed, open, and honest with clients. I encourage them to be open and honest. I use CBT and DBT as my therapy foundations when providing services.

A little bit about me...

When I am not working I am spending time with my two children and husband. I enjoy watching movies and swimming.
