

Marylou Hicks, BA, MHP

Crisis Care Clinician

Education and Certification

Bachelor's degree in Psychology with a Minor in Fine Arts from Northern Illinois University.

Specialization

Children, adolescents, and adults in crisis

My Treatment Philosophy

I believe in an empathetic, non-judgmental atmosphere where a relationship can build on trust and respect. I hope to help you find your strengths and use them in order to achieve goals and reach your full potential.

A little bit about me...

I like spending time with my daughter, loved ones, and friends. I'm a fan of all music. I enjoy concerts, camping, traveling, and art.
