

Sierra Inghram, MS, QMHP

Behavioral Health Clinician

Education and Certification

Bachelor's in Psychology with a minor in Early Childhood Education from Ripon College in Wisconsin. Master's from Western Illinois University in Clinical/Community Mental Health.

Specialization

I enjoy working with all clients but have a special interest in working with children, adolescents, and families.

My Treatment Philosophy

I believe that the most effective therapy occurs when there is a collaborative relationship between the clinician and the client.

A little bit about me...

I love small town living and enjoy being a part of the community. In my free time I love to explore nature and the communities around me, especially thrift or vintage shops. I am originally from the Dairy state and will always be an avid Packer fan.
