

Amber Corson **LCSW, QMHP**

Behavioral Health Clinician

Education and Certification

Bachelors Degree in Forensic Psychology,
Masters Degree in Social Work from St. Ambrose
University – Summa Cum Laude.

Specialization

Adolescents, identity development, and life cycle
transitions. Experience providing services to
individuals and families.

My Treatment Philosophy

I strive to offer a genuine, safe space to navigate
your way through healing and growth. I am
committed to providing you a collaborative
approach with authenticity – whether that is
honoring difficult emotions or sharing a laugh.

A little bit about me...

In my free time you can find me doing DIY
projects, riding my bike, or snuggled up with a
good book & my kitties!
