

Tad A. Vogl, EdD, LPC

School Based Clinician

Education and Certification

Bachelor's of Fine Art, Master's of Science in Outdoor Education, and Doctorate in Adult Education from Northern Illinois University, and Master's of Science from Capella University.

Specialization

Individuals with ADHD.

My Treatment Philosophy

I prefer client-centered therapy, cognitive behavior therapy, and solution-focused therapy. I like to build a trusting rapport with my clients through a less formal approach, with a touch of humor.

A little bit about me...

I have many hobbies; foremost among them are prairie and woodland management, outdoor adventures, simple living, vegetarianism, minor carpentry, painting and creating weird art and lifelike illustrations, and family time.
