

Jessica McCarver
QMHP, MFT
CST-Youth Supervisor

Education and Certification

Bachelor of Arts in Criminal Justice from National Louis University, Masters of Arts in Marriage and Family Therapy from Capella University.

Specialization

Working with couples and families.

My Treatment Philosophy

I believe that relationships are essential to emotional well-being and focus not only on the therapeutic relationship but client's relationships to their social systems to facilitate healing and well-being.

A little bit about me...

I love reading, spending time with my family, listening to music, learning, playing badminton, and watching movies.
