

Susan Lefaiivre **M.A., QMHP**

Behavioral Health Clinician

Education and Certification

Bachelor of Arts, St. Xavier's University, Chicago, Master of Arts, Mental Health Counseling, Judson University.

Specialization

Children & adolescents.

My Treatment Philosophy

I am a client-centered therapist who assists in the facilitation of creating a space for honest client expressions and emotions, while providing new perspectives for change.

A little bit about me...

I enjoy gardening, reading, and, building/re-purposing furniture. I am an empty-nester who spends extra time with my family and two pups: Stella and Odie.
