Bachelor of Arts in Psychology & Criminology/
Criminal Law and Justice-University of Iowa.

Specialization

I have an interest in working with children, adolescents, and families.

My Treatment Philosophy

I believe in a collaborative effort where the client knows themselves best and I am there to help explore their thoughts and feelings in a safe environment. I believe in moving toward what is good and positive while addressing treatment based on each client's individual needs.

A little bit about me...

I enjoy traveling, reading, and watching anime or scary movies.
