

AJ Buser

Behavioral Health Clinician

Education and Certification

Associates in Science, Sauk Valley Community College, Bachelor's in Special Education, Northern Illinois University, Master's in Educational Administration, Western Illinois University.

Specialization

Substance use, prevention, and recovery.

My Treatment Philosophy

Substance use is not the end of the world! There is help! I have been there - I understand. Change is possible! I'm living proof! Please don't do this alone! Reach out!

A little bit about me...

When I am not spending time my two boys and my wife, I enjoy weightlifting and working out. I am a HUGE Marvel fan! If I'm not watching a Marvel movie or TV show on Disney+, I'm watching SportsCenter. My two favorite teams are the Chicago Bears and Atlanta Braves!
