

Josie Kutz, BA, MHP

Behavioral Health Intern

Education and Certification

Bachelor of Arts in Psychology from Northern Illinois University.

My Treatment Philosophy

I incorporate a person-centered philosophy into my practice, mindful that each client has unique experiences and needs. As a clinician, I strive to make the therapeutic process a beneficial and empowering experience for all clients.

A little bit about me...

In my free time, I enjoy hiking with my two dogs. I also enjoy listening to music and reading.
