### **Philosophy of Care**

I believe that by providing an empathetic and genuine environment, my clients are able to engage in self-discovery and flourish in their journey through life. I look forward to providing guidance and support to my clients while they achieve successes during treatment.

### **Education and Certification**

Bachelor's degree in Sociology from Northern Illinois University; Completing my Master's in Social work at Aurora University.

### **Specialization**

Transitional-Aged Youth (ages 18-22) and Substance Abuse

### **A little bit about me...**

I enjoy playing with my dogs, watching documentaries on Netflix, spending time with my loved ones, and doing simple(!) home renovations.
