

Kourtnee Mezo, MSW, CADC

Supervisor of SUPR Services

Philosophy of Care

I never want anyone to fear therapy or recovery. It can be a long and hard journey but with effort and willingness from the individual, it is absolutely possible for anyone.

Education and Certification

Bachelor's Degrees in Law Enforcement and Psychology from Western Illinois University.

Specialization

I have primarily worked in the substance abuse field (adult residential, adult halfway, adult IOP, adolescent & adult outpatient).

A little bit about me...

I love spending time with my pets—a dog, a cat, 2 pot belly pigs, a miniature donkey and pygmy goats. I love gardening, cooking and antique shopping. I also enjoy DIY crafts although I am not the best at them.
