Lakyn Waldschmidt
BS, MHP

Pathways Care Coordinator

Education and Certification

I have a Bachelors of Science in Human Services from Quincy University. I currently attend Aurora University and will graduate in December 2023 with my Masters in Social Work.

My Treatment Philosophy

I take a person-centered approach to provide unique care that meets each individual client's needs.

A little bit about me...

I enjoy being outdoors, traveling, coaching softball, reading, and spending time with my family and our three dogs- Murphy, Boone, and Winston!
