

Maddie Wallace, BA, MHP

Behavioral Health Clinician

Education and Certification

Associates of Arts from Kankakee Community College, Bachelor of Psychology from Clarke University, working towards my Master of Psychology at Liberty University.

My Treatment Philosophy

I believe in allowing my clients to determine the pace for treatment because they know themselves best. I am there to be a support when exploring feelings or aspects in life.

A little bit about me...

I like sports, any outdoor activities, art, and spending time with family and friends.
