

Cody Jeremiah

Veteran Services Coordinator

Military Experience

I was a Corporal in the Marine Corps, my MOS was Combat Engineer. I was deployed during Operation Enduring Freedom.

Specialization

Veteran services

My Treatment Philosophy

I believe in a client-led philosophy as a way to aid veterans and improve their quality of life. I prefer to work with veterans in their own environment or a neutral one where they feel comfortable, I feel the “lay down on the couch” method can drive veterans away from getting help.

A little bit about me...

I enjoy a few hobbies: Fishing, Hunting, Traveling, Painting.
