

Abbey Horner, BA, MHP, CADC

Recovery Home Supervisor

Education and Certification

Bachelor's in Psychology from Eastern Illinois University. Certified Alcohol and Drug Counselor from IAODAPCA.

Specialization

Substance Use, Prevention, and Recovery, Medication Assisted Recovery (MAR).

My Treatment Philosophy

My role is to provide a safe space where clients can express their substance use concerns and assist them in discovering different methods of treatment. I enjoy utilizing my lived and educational experience to support and empower clients when achieving their goals on their unique road to recovery.

A little bit about me...

My spare time is dedicated to my family. My husband and I love to watch college sports (Go Vols!) and go to concerts to listen to our favorite artists. You can also find me watching the newest real crime documentary.
