

Meghan Dunn
MSW, LSW, QMHP
Behavioral Health Clinician

Education and Certification

Master of Social Work from Aurora University and Bachelor of Arts in Psychology from Alma College.

Specialization

Trauma, abuse/neglect, EMDR trained.

My Treatment Philosophy

I use a client-centered approach with all of my clients. You are a person above all else, and while treating symptoms related to mental health is important, it is also important to remember that. I am honored to hear your story and you are my priority.

A little bit about me...

I love playing with my dog Knox, traveling, and ANYTHING outdoors; hunting, fishing, camping, hiking, kayaking, etc.
