## **MFT, NCPM, CADC**

### **Behavioral Health Clinician**

---

#### **Education and Certification**

Masters of Arts in Psychology from the University of the Rockies. Masters in Marriage & Family Therapy from Northcentral University.

#### **Specialization**

Conflict resolution and mediation.

#### **My Treatment Philosophy**

My approach to therapy is systematic and fact searching. I want to help clients understand the why behind the choices they make and how those choices will lead to positive results or negative results. Helping clients find solutions to live a healthy, happy life.

#### **A little bit about me...**

I love music and play with different bands. I also enjoy and play a variety of sports, mostly ice hockey and softball.
