

Pablo Silva, BHP

Behavioral Health Clinician

Education and Certification

Bachelor's of Arts from Northern Illinois University, Associates Degree in science from Kishwaukee Community College.

Specialization

I have focused on learning DBT throughout my time within SASS services.

My Treatment Philosophy

I believe that the best outcomes for treatment are reached together through client and clinician.

A little bit about me...

I spend probably too much time enjoying video games, wanting to go to the gym, and spending time with friends and family.
