#### **My Treatment Philosophy**

I treat others as they would like to be treated. My passion has always been to help others in need. I am easy to talk to and enjoy making others comfortable, while we work on issues together. Life is hard and at Sinnissippi Centers, we are available to help others along this journey in life.

#### **A little bit about me...**

I love spending time with my family and friends. In my free time, I enjoy shopping at thrift stores, couponing, and reading. I really enjoy running, well jogging.
