

Casey Euell, MSN, RN

Intern, APN

Education and Certification

Associates of Nursing from Highland Community College, Bachelors of Science from Western Illinois University, Masters of Science in Nursing from Walden University, nursing Post Masters Certificate PMHNP from Walden University with tentative graduation February 2025.

My Treatment Philosophy

I complete thorough medical histories and utilize appropriate screening tools to assess clients and develop a diagnosis. I collaborate with the client to develop a treatment plan that are comfortable with and ensure they are educated on their diagnosis.

A little bit about me...

Reading, activities with my family, attending our children's extracurricular activities, and being involved with several boards and committees in the community.
