

Janda Hicks, MSW, QMHP

Pathways Care Coordinator

Education and Certification

Bachelors and Masters degrees in Social Work both from Aurora University. Domestic Violence and Sexual Violence 60-hour training certification.

Specialization

I have worked with families and children in both child welfare and mental health.

My Treatment Philosophy

I believe in the client-centered and trauma-informed approach. Being able to meet clients where they are in their lives and emphasizing their strengths, goals, and needs. My approach recognizes the impact of trauma and being able to create a foundation to build a safe environment through therapeutic relationships.

A little bit about me...

I love spending time with my family. Enjoying outdoor activities, watching movies, and traveling to new destinations.
