#### **Education and Certification**

Currently enrolled in a Master's degree program in Counseling through the University of the Cumberlands, working on licensure as a LPC. I have a Master's degree in Forensic Psychology from the Chicago School of Professional Psychology and a Bachelor's degree with a double major in Law Enforcement and Psychology from Western Illinois University.

#### **My Treatment Philosophy**

My theoretical orientation is a mix of Existential Therapy and Rational Emotive Behavior Therapy (REBT). I resonate with Viktor Frankl in that hope and meaning can be found in even the harshest environments.

#### **A little bit about me...**

My hobbies include watching basketball, football, and AEW (professional wrestling). Broadly, I am a fan of all things Star Wars, X-men, and Lord of the Rings.
