

Sawyer Kolaczowski

MS, QMHP

Behavioral Health Clinician

Education and Certification

Bachelor's of Science and Masters of Science in Psychology from Western Illinois University.

Specialization

I feel I am most well versed in LGBTQ+ populations as well as teens and young adults.

My Treatment Philosophy

I rely most heavily on CBT and Person-centered approaches with some solution-focused aspects sprinkled in.

A little bit about me...

I enjoy writing poetry and believe in art as a healing tool. I enjoy most forms of music and love attending live shows. I am also very into horror movies and fashion. .
