

Anna Martin, RN, BSN

Lead Psychiatric Nurse

Education and Certification

Associates degree from Sauk Valley Community college. Bachelors degree in Nursing from Western Governors University, Salt Lake City, UT.

Specialization

I am the Medication Assisted Recovery (MAR) Nurse- assisting people with substance use disorders by providing medication education and care coordination for Abi Fields, APN.

My Treatment Philosophy

My approach to treatment is to provide non-judgmental care to clients who are struggling with addiction. Also, to provide never ending support and compassion as they work towards recovery.

A little bit about me...

Houseplant care, hiking, camping, spending time with family, and spending time with my two dogs and two cats.
