

## **Laura Rankin**

**Behavioral Health Intern**

---

### **Education and Certification**

I received my Bachelor's degree in Psychology from Olivet Nazarene University. I am working toward my Masters in Clinical Mental Health Counseling at Liberty University.

### **My Treatment Philosophy**

I believe in building a genuine and positive relationship with clients that is formed through mutual respect. I take an eclectic approach, utilizing cognitive behavioral , solution-focused, and person-centered interventions to meet the client where they are at emotionally.

### **A little bit about me...**

I love music, traveling, playing sports, and spending time with my friends and family!
