

Kelsey Boyd
MSEd, QMHP, LPC
Behavioral Health Clinician

Education and Certification

Associates degree from Kishwaukee College,
Bachelors degree in Psychology and MsEd in Clinical
Mental Health Counseling, both from Northern Illinois
University.

Specialization

I am interested in working with clients who have
experienced trauma. I am also interested in
motivational Interviewing and utilizing art therapy.
LGBTQA+ inclusive practice.

My Treatment Philosophy

My therapeutic approach to treatment is an integrative
psychotherapy style. I believe in incorporating creative
therapies and mindfulness into my sessions.

A little bit about me...

I enjoy creating art in general. I particularly enjoy
drawing and painting. I enjoy spending time with my
loved ones, but I also value my alone time, watching tv,
movies, reading and playing games. I am a dog person,
they bring me so much joy.
