

Josh Vos, MA, QMHP

Behavioral Health Clinician

Education and Certification

Master of Arts in Clinical Mental Health Counseling, Liberty University, Bachelor of Science in Mechanical Engineering, Ohio State University.

Specialization

I work with all ages of clients on a range of issues including depression, anxiety, self-esteem, and motivation.

My Treatment Philosophy

I believe in meeting the client where they are at and walking alongside them in their journey. I utilize empathy and strive to build a strong therapeutic relationship based on trust and mutual respect.

A little bit about me...

In my free time, I enjoy spending time with my wife and kids, all things sports-related, reading, and exercising.
