

Brandon Noble
MS Ed Psy, QMHP
Behavioral Health Clinician

Education and Certification

Masters of Science in Educational Psychology from the Chicago School of Professional Psychology. Bachelors of Science in Psychology from Northern Illinois University.

Specialization

I Specialize in Youth ages 3 to 18 and emerging adults and the family. I have Experience working with significant dysregulation and executive functioning concerns in children and criminal justice involved Youth.

My Treatment Philosophy

I Strive to create a safe, therapeutic environment where clients of all ages, races, sexualities, and genders can be supported. I utilize a holistic, Client Centered, Strength Based, CBT approach.

A little bit about me...

I enjoy spending my free time with my 2 children and dog. I enjoy coaching my kids sports as well as outdoor activities such as fishing and hiking. I recently have gotten more into art. I have a strong interest in the community and our schools.
