

Joseph Smith

Veteran Care Coordinator

Education and Certification

I graduated from Polo Community High school in 2006. After high school I joined the Marine Corps. I deployed to Iraq as a rifleman in support of combat operations. I also deployed to South America, to Peru, to do joint operations to combat the drug cartels. In 2014 I retired from the Marines as a Corporal.

Specialization

Veteran services.

A little bit about me...

While my name is Joseph, most people call me Joe. I love to spend time with my beautiful daughter. She keeps me very busy and on my toes. I also enjoy hunting and fishing as well as golfing in the summer months. I enjoy football as I am a Packers fan GO PACK GO. I am very passionate about helping veterans as I was in need of help myself at one point in my life and know how hard it can be to break down and ask or seek out the help desperately needed. I am a very hands-on person and believe that getting your hands dirty never hurts at times.
