Education and Certification

Bachelors degree from DePaul University in Chicago in Sociology. Masters of Education in Special Education from Quincy University in Quincy, IL. Masters of Education in Evaluation and Assessment, Northern Illinois University, DeKalb, IL.

My Treatment Philosophy

I believe in a client-centered approach. I like to meet clients where they are and work with them to meet their recovery goals.

A little bit about me...

I have played the piano since I was 5 years old and the baritone since I was 12. I read fiction and non-fiction books, especially sci-fi. I enjoy hiking, fishing and frisbee golf.
