

Jon Kenseth

Manager of Recovery Support Services

Education and Certification

Bachelors degree in Psychology from Western Illinois University.

Specialization

Substance use disorders, co-occurring disorders, and community-based support services.

My Treatment Philosophy

I like to try and provide individuals with a solution-based plan that empowers them to get to the other side of their respective struggles. Being able to come beside an individual and build a relationship with them that allows them the opportunity for personal growth is something I value you greatly.

A little bit about me...

In my free time I enjoy spending time with family and friends, playing golf, and attending live sporting events.
