

MaKenna Mongan, MHP

Pathways Care Coordinator

Education and Certification

Bachelors in Psychology and Criminology,
University of Kentucky.

Specialization

I have worked with children in the mental
health field and criminal justice system.

My Treatment Philosophy

I believe in helping clients develop tools and
ideas to help them reach their goals in
therapy and be able to carry these things
throughout their lives.

A little bit about me...

I enjoy cooking, hanging out with my friends
and family and taking time to travel!
