

Derenda Beasley
RN, BSN, FNP-BC, PMHNP-BC
Provider for Children & Adolescents

Education and Certification

Bachelor's of Science in Nursing from Jacksonville State University at Alabama. Master's of Science degree in Nursing from Chamberlain University Illinois. Post Master's Certificate from Maryville University Missouri.

My Treatment Philosophy

It is my passion to help people succeed in achieving better mental health, physical health, and happiness. I work with clients to develop the most effective medication treatment plan. Everyone is entitled to a compassionate provider who believes in them and will help them work toward their goals.
