

Abby Vidal, BS, MHP

Behavioral Health Clinician

Education and Certification

Bachelor's degree in Human Development and Family Sciences from Northern Illinois University.

Specialization

I am a Certified Domestic Violence Professional and I have previously worked closely with both victims and perpetrators.

My Treatment Philosophy

In treatment, I hope to empower and challenge clients in a way that allows them to explore and fulfill their own potential. My approach to treatment is based on treating each client as a unique individual.

A little bit about me...

I love music, painting and drawing. Most of my free time is spent watching anime or scary movies, playing with my dogs, or traveling.
