

Tina Boone

SUPR Recovery Support Specialist

Education and Certification

Graduated from Southern Illinois University's Certified Recovery Support Specialist training program.

Specialization

I specialize in substance use disorders.

My Treatment Philosophy

Meet clients where they are. Helping clients to feel safe working through their recovery. I use my lived experience and education to help others as I have been helped, without judgement. Just be honest.

A little bit about me...

Born and raised in Sterling/Rock Falls, I am a runner. 5k's are my favorite! I have two wonderful children, two dogs, and one grand-dog. I spend my spare time with them, and I love to cook and read.
