

Alexis Hecker, MA, QMHP

SUPR Clinician

Education and Certification

I received my Bachelor's in Psychology from Judson University and a Master of Arts in Military Psychology from Adler University.

Specialization

Substance Use Disorders and Co-Occurring Disorders.

My Treatment Philosophy

I believe in creating a supportive and nonjudgemental space where clients can be themselves and feel heard. I believe in meeting people exactly where they are and walking alongside them as they face challenges.

A little bit about me...

In my free time I enjoy reading, spending time in nature and attending sporting events with my family.
